

CY-CREEK BASEBALL

2021 KCF TRYOUTS FOR INCOMING FRESHMEN

WHEN: SUNDAY, MAY 2, 2021 @ 2 PM

WHERE: CY-CREEK HIGH SCHOOL BASEBALL FIELD

Dear Parents/Players:

This tryout is for upcoming 9th graders who are interested in playing baseball for Cy-Creek High School for the 2021-22 school year. All additional information regarding the tryout and KCF Summer Baseball League can be found on the website at www.kcfbaseball.org. In order to tryout, there are two forms (Player Registration Form and Player Contract) that must be filled out, completed, and submitted online. Please note both of these forms must be completed in order to tryout.

At Cy-Creek, the KCF Summer League is important in the progression of our program. All players who make the team are expected to actively participate in our summer program. Please make note of the projected schedule and make any necessary adjustments in order to make our summer team a priority. We understand that most players play on various select/travel teams in the summer as well. We encourage players to do so, but our expectation is for your select/travel ball schedule be built around our schedule for Cy-Creek High School.

Here is the projected schedule for this summer:

The KCF Summer League regular schedule will be run from June 7th – July 15th.

Freshmen will play DH on Mondays or Wednesdays.

There will be two tournaments:

Mid-Season Tournament (June 24-27)

Post-Season Tournament (July 16-18)

We look forward to seeing the next wave of Cy-Creek Cougar baseball players that will take this program to highest level.
